are "made" with ease
by the powerful

The Buick overhead valve is guaranteed to develop more power and give more mileage per gallon of gasoline, than any other motor of its size, either American or Foreign make.

**When a Buick Starts
It Finishes a Winner**

Tuesday of last week, for the THIRD CONSECUTIVE YEAR, a BUICK WON the much-coveted TAHOE TAVERN TROPHY offered annually to the first car to master the snow-capped Sierra Nevada mountains UNDER ITS OWN POWER and to reach the famous resort, via the Emigrant Gap State Highway. To win this trophy the BUICK was subjected to the severest imaginable test, being forced to buck deep snow and to plow through heavy drifts for a distance of 20 miles. During the entire trip not an adjustment was made and at the finish the car was running as smoothly as at the start.

**Summer or Winter, Steep Hills or Bad Roads,
the Powerful Buick will get you there first.**

Its easy riding and low of upkeep.

PETERSON'S PITCHING DEFEATS KING'S KUBS

PRETTY GAME AT BAKER ENDS
IN YAKIMA VICTORY BY
SCORE 4 TO 2

BAKER, Ore., June 5.—(Special).—Peterson's superb twirling and Krause's great hitting defeated the Kubs yesterday 4 to 2 in a pretty played game. Peterson fanned eleven and they came with men on the sacks, the mighty Nadeau being humbled twice in this fashion. Peterson pitched the first five innings without the semblance of a hit but in the seventh gave a pass and allowed three safe ones, one a double by King with two on, and there Baker scored the only two runs for the locals. Pitcher Mell deserved a better fate but his support was none too good. Sigsby's boot cost the first run. Peterson placing and Krause driving him home with a double. Peterson singled in the fifth and Krause tripled, scoring him. Then Krause tried to steal home but Mell balked, although he threw him out, and Hall called Krause safe. In the eighth Krause made his third hit, stole and scored on Plant's double. Cold weather affected the attendance, only a few turning out. The score:

FITCHNER GIVES GOOD EXAMPLE OF WILDNESS

GAME YESTERDAY ENDS 7 TO 2
FOR BEARS—PITCHER IS
YANKED IN SECOND.

Pitcher Fitchner was in the form yesterday that made him famous and in consequence he presented the Walla Walla Bear with the five marginal runs of a 7 to 2 game. He had

all of his old-time smoke and all of his old-time curves and also he had all of his old-time wildness. In one inning, the second he issued walks to four, gave two passages to home via the wild pitch route and permitted two hits which counted three more runs. He was the whole thing that inning for the three men who finally did get out fanned the ether. Fitchner was derrickd to the bench at the end of that disastrous frame and Daly was sent in to stem the tide. He stemmed it so well that the fans and everybody else but the Bears regretted that he had not started. He allowed but a single measly scratch hit up until the ninth when, with two men down he grew careless and let Lundstrum Hudson cut a two-sacker. Schmitt scored him on a single, stole second and third himself and, when Childers walked, pulled off a double steal for another score.

Reese, who twirled for the Bears, was in great form and held the Kubs scoreless until the eighth when Daly singled and scored on Naughton's three-base blow. In the ninth Varian opened with a triple and, with two down chored when Curly Coer put one down to Childers that the third baseman couldn't get to first in time.

Lodell worked Witt, in center field yesterday, switching Varian to right, and the new man made the feature catch of the day when he backed up against the fence and nailed Lundstrum's long fly that looked like a homer. Walla Walla used Remmer behind the bat and that recruit showed plenty of ginger.

YOU CAN'T EAT APPETITE POOR

Multitudes of people lose their appetite. Simply don't care for anything to eat. The dinner bell has no interest to them. They loathe their breakfast. They may nibble a little of this and a little of that, but they do not care for it.

Lunch has lost all of its charms, although they try to eat something. Dinner about the same. There is something positively wrong, of course, but no disease that can be named. Just out of sorts. That is all.

It is in this kind of a condition that Peruna acts very beneficially. After using Peruna, interest in food is revived. Beginning with a teaspoonful of Peruna before each meal will generally quickly improve the appetite and help the digestion.

Thousands of people can testify to this. Liberated from a slavery that is almost unbearable. The slavery of having no interest in life. All used up. Yet one does not know exactly why. Take Peruna before each meal. Files will get blue again. Fields will look green once more and life will be pleasant. You will feel that you are good for something and the world is a good place to live in. Peruna will do it. Not as an artificial stimulant. Simply a tonic that stimulates appetite in a natural way.

Those who object to liquid medicines can now obtain Peruna Tablets.

FEARING "EVIL SPIRIT," BOY, 16, LEAVES HOME

ST. LOUIS, June 5.—Mrs. Belle Estes of 607 Brady street, east St. Louis, has requested the police to search for her 16-year-old son, Oscar, who disappeared leaving a note in which he said that he was followed by an evil spirit. The note read:

"Dear Mother: I am leaving home. I have been followed by an evil spirit for the past month. It is worrying me. I would rather die than be followed by the evil spirit. I am going to get rid of the evil spirit. I will write when I do. I will come home when I get rid of that evil spirit. Don't try to find me. Good-bye to all, Oscar."

Oscar was messenger in the Armour Packing Co. office. His eyes and hair are brown. Mrs. Estes fears her son's mind was deranged. For a month he had been moody and silent she said, and would sit at home and hold his face in his hands for minutes at a time. She said he usually stayed in the house at night and read.

BETTER THAN SPANKING.

Spanking does not cure children of bad habits. There is a constitutional cure for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

Clayton Bill Passes House.

WASHINGTON, June 5.—The house passed the interstate trade commission bill one of the president's anti-trust measures and also passed the Clayton bill, a second of the president's measures which exempts labor organizations from prosecution under the Sherman law.

HIGHWAYMEN HOLD UP AND SECURE CASH

NEW YORK, June 5.—Highwaymen blackjacked a bank messenger of the American Can Company in front of the company's office and escaped with \$2700 in an automobile. Thirty minutes before a pay clerk employee of the John Masury paint company was held up in Brooklyn and robbed of \$3000. The police believe the same crooks are responsible for both crimes.
